Check-in and booking system

BOOK, PAY, BOUNCE!

Put customer satisfaction on the fast-track with Q-Jump – a smart check-in and booking system designed to speed up entry to your parks, so your customers can spend more time perfecting their trampoline tricks.

Our smart terminals allow quick, cashless payments and can even dispense wristbands and socks to eager bouncers. It's yet another technology installation from TP1 that will transform your customer experience, create new profit streams and build your USPs.

- Fast-track entry
- Minimise queues
- Check-in for online and pre-bookings
- Book and pay via terminal
- Cashless payments
